

## Ultimate Women's Long Weekend

Relax, Indulge & Enjoy in The Mackenzie Country

### Fri 23 July 2021

You will be transferred from Christchurch to Lake Ruataniwha (or you can drive yourself), stopping along the way in Geraldine and Lake Tekapo. We arrive at our private lodge in time for the sunset and to watch the stars come out. Drinks at home, followed by dinner in Twizel.

### Day 2/3

Enjoy breakfast with a view from our large deck - mountains and lakes are the magnificent backdrop. We then go exploring...

**Day Trip to Mt Cook** - we drive along the turquoise waters of Lake Pukaki and visit the Mt Cook visitors centre to give you an idea of the amazing history, flora and fauna of the area. We then go for a walk up the stunning Hooker Valley. This is a magical day out in a special part of New Zealand! Back in time for a hot shower, drinks and then we go out for a meal. (Picnic lunch included, dinner not included)

**Day Trip Twizel area** - what we do today depends on the weather, but one thing is guaranteed and that is a great day out! Here's a list of possibilities: investigate the local shops, explore this stunning area (we will take you to some of our favourite secret Kiwi spots and show you the turquoise waters of Lake Ohau and Lake Ruataniwha), enjoy a stunning walk and possibly a picnic (weather permitting), visit the local Salmon Farm where you can feed the fish, visit a winery and do a tasting, partake in a quirky farm tour, explore the Clay Cliffs. At the end of the day we head off to the local Omarama Hot Tubs for a soak under the Southern stars - absolute magic! Dinner at the country pub and then home to our comfy beds. (Lunch and dinner not included).

### Mon 26 July 2021

After a good breakfast (time permitting, we might squeeze something else in) we begin our drive back to Christchurch.
