Sri Lanka

Golf & Culture Adventure

7 - 21 September 2026

Uncover the magic of Sri Lanka—a stunning island paradise where ancient culture, breathtaking nature, and world-class golf come together. From golden beaches and misty tea plantations to sacred temples and wildlife-rich national parks, this is a destination that offers something for every kind of traveller.

Wander through the hill capital of Kandy, stand in awe before the iconic rock fortress of Sigiriya, and take in the panoramic views on one of the world's most scenic train journeys. Then, unwind on the serene shores of Mirissa or Arugam Bay. For wildlife lovers, Sri Lanka is a sanctuary—home to wild elephants, elusive leopards, and countless bird species in reserves like Yala and Horton Plains.
