Stunning, rolling dunes with elevation changes from 4 to 11 meters frame Vinpearl Nam Hoi An. Many natural trees on site, with casuarina pine trees close to the ocean and deciduous trees, further inland, provide a nice contrast across the golf course. Native grasses, pandanus' and other dunes-type vegetation maintain the natural beauty and ruggedness of the terrain.

There is a wide variety of golf holes, with a pleasant mix of long and short Par 3's, Par 4's, and Par 5's, including two drivable Par 4 holes, one on each Nine. A links-style course, Vinpearl also features white sand bunkers with jagged outlines, which are stunning next to the all bright green Paspalum turf. The course is a good test of golf and suitable for both short and long hitters. Green fee, caddy and shared golf cart included.
